**Sesto quesito – Lingua inglese (punti 5)**

Il candidato traduca dall'inglese all'italiano il seguente testo.

Project financing is a complex economic-financial operation aimed at realising public works and/or at managing a service that can be implemented, in some cases, also by private parties. More specifically, Art. 183, par. 15, D.L. no. 50 of 2016 allows for an economic operator to propose the planning, realisation and management of a public asset or of a service in relation thereto, also if not included by the Plan of the offeree.
